clinical knowledge and research studies.

Purpose of the MoU

The purpose of this MoU is to foster clinical collaboration, research initiatives, and knowledge exchange between the Faculty of Physiotherapy and Occupational Therapy and Faculty of Paramedical Sciences at VGU and Shristi Hospital, Jaipur. This partnership aims to strengthen educational and professional outcomes in physiotherapy, occupational therapy and paramedical sciences through joint activities and resource sharing.

Areas of Collaboration

This MoU represents the mutual understanding and commitment between the parties for collaboration and growth in the field of Physiotherapy, Occupational Therapy and Paramedical Sciences.

1. Academic Exchange

- Exchange of faculty members for guest lecture, expert talk, Conference, workshop, seminar and academic enrichment.
- Exchange of students for clinical posting in hospital, short-term training programs, observation, internships, or clinical postings.

2. Research Collaboration

- Joint research projects in Physiotherapy, Occupational Therapy and Paramedical Sciences.
- Sharing of research findings and resources for mutual benefit.
- Organization of joint conference, seminar, and symposia.

3. Training and Development

- Conducting skill development workshops and hands-on training sessions for students and faculty.
- Collaboration on advanced clinical training programs and certification courses.

Roles and Responsibilities

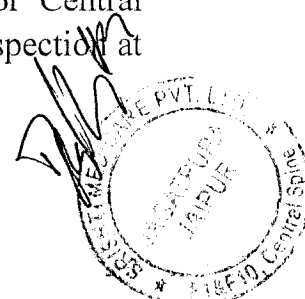

1. Vivekananda Global University (VGU)

- Provide necessary support for hosting collaborative activities at its premises.
- Facilitate student and faculty participation in joint programs.
- Provide space for OPD and lecture for health awareness camp.
- Organise free medical health camp in the community.

2. Srishti Hospital:

- Encourage active involvement of its faculty in the initiatives.
- Provide access to research facilities and resources for joint projects.
- Whenever there is an inspection of first party by the State or Central Government or any Council, the second party will facilitate the inspection at its premises.
