Brief Report

GCEC and Neerja Modi School presents the Fourth Edition of Jaipur's Entrepreneurship fest (JSEF) for students, which aimed at helping young students to understand the startup buzz in the country. JSEF-2019 witnessed top speakers sharing knowledge and insights. Various competitions were organized for young and enthusiastic students. 100+ students from over Top 20 schools of Jaipur and other cities participated in the event.

Key Highlights of the event include:

- **Business Plan Competition:** Students showcased their business ideas through a 2-minute elevator pitch in the prelim round and a B-plan PPT in the final round.
- **Startup Quiz Competition:** Startup quiz tested the knowledge of the teams on the start-up ecosystem and understanding of the business.
- **English Debate Competition:** Students participated in a debate competition on topics related to start-ups and the changing business environment.
- **Ad-Mad Competition:** This competition required teams to create an interesting advertisement.

Treasure Hunt Competition: This competition required teams of students to follow clues and find the Treasure hidden within the campus.
