ENCODE - A series of skill development workshops and seminars

## Brief Report

Eight workshops on Meter clothing, Metalcraft, Clay sculpture, Soap carving, Kite making, Reed craft, Lino-cut printing and Jewelry design.

## Conclusion

Encode is an annual design fest organized by the Center of Design Excellence (CODE), VGU, Jaipur. The event was held with the intention to benefit budding talented students as well as the industrial sector with the activities and events. It aimed to bring many learned and reputed people from the field of design and industrial experts from across the country. It served as a platform for interaction and engagement for the design fraternity, professionals, educators, artists and students.
