Brief Report

The second edition of Hackathon was successfully held at the Department of Commerce GCEC. The Hackathon was a 3-day competition organized for students. This competition was aimed at educating the students about the intricacies of coming up with a business idea, preparing their pitch deck on the business idea, and presenting it in front of the investors.

The result of the various competitions was:

Winner - Team Hackermen

Runner-up - Team Pandav

Key highlights of the event include:

- **3 Day On-Campus Competition:** All teams were required to stay on college campus to prepare their startup idea pitch.
- **Business Plan Competition:** Students showcased their business ideas through a 5-minute pitch and answered questions asked by the judges in the final round.

- **Programming Language Experts:** Students had access to programming language experts to help them apply the latest technology to their business idea.
