## Brief Report

The workshop was focused on overview of Intellectual Property Rights (IPR) and how to convert research and project work into patents. It helped the participants to understand the process of filing and getting a patent. Dr. Prashant Sharma, Associate Professor, IIHMR Jaipur in his keynote address, stressed upon how to write effective funding proposals to various grant agencies. This training aimed to bring a positive transformation in the faculty members' attitude in their project and research work and become result oriented.
