Brief Report

Global Finance & Entrepreneurship Fest (GFEF) was an innovative initiative taken by the students of the Department of Commerce - GCEC to encourage entrepreneurial skill development and learning through collaborative experiences among students across various colleges and Universities. It was a three day virtual competition cum fest specially designed for students with entrepreneurship spirit and business mindset. The objective of the event was to help the next generation to understand the importance of entrepreneurship and finance in their careers. Aim was to contribute in raising the future entrepreneurs with laser sharp focus and vision. The speakers in the events included established professionals from diverse fields who shared their valuable experience with the students.
