Department of Commerce GCEC organized an informal offline event to bring together different stakeholders of Jaipur start-up ecosystem on the same playground. Several corporate team building activities and networking games such as Cross the River, Water Balloon Volleyball were organized. As it was an informal meet with the leads of start-ups, eco-system enablers, incubators, and accelerators, students got an opportunity to learn about entrepreneurial initiatives of various start-ups. It was a great opportunity for the participants to enhance their entrepreneurial skills.
