Brief Report

Purpose of organizing workshops at The Design Lab:

- Insights on the Courses
- Interaction with Faculty
- Intriguing Workshops
- Certifications and Rewards

Various Skill development workshops conducted under the event:

- Fashion illustration and sketching
- Architecture inspired by nature (Biomimicry)
- Cities and their buildings
- Introduction to the world of User experience
- UX Careers and trends
- Profession with United Nations Sustainable Goals

Conclusion

The interactive skill development workshops helped students to know all future prospects of the emerging sector of design. Centre of Design Excellence (CODE), VGU, in association with College Dunia conducted The Design Lab. The learners got a unique and holistic learning experience to kick off their creative journey.
