Pamphlet for Workshop on IPR & Innovations

Brief Report

The workshop was attended by 50 people. It was full of practical and insightful experience for the attendees. Prof. Dilip Sharma discussed practical aspects of IPR and Innovation aspects which served as an opportunity for the students to work on their IPR skills. The workshop included discussion and activities based on IPR.

The workshop covered following areas:

- Innovation culture and power of IPR
- IPR and skill development

Conclusion

The workshop ended with a lot of queries of students being answered successfully and the discussion made students aware about IPR and Innovation. It enhanced their practical knowledge of IPR.
