## Brief Report

The Hult Prize Foundation transforms how young people envision their possibilities as leaders of change in the world around them. The Hult Prize has brought impact focused programs, events, and training to over a million students globally, creating a pathway for youth everywhere to take action to build a better world. The Hult Prize continued to be a disruptive global leader in social entrepreneurship, skill development and youth empowerment for the 21st century. This annual competition for the Hult Prize aimed to build and launch the most compelling social business ideas, start-up enterprises that tackle grave issues faced by millions of people every day. The winning team received mentorship and advice from the mentors as well as the Hult Prize community. The team then went on to represent in the regional round.

## Conclusion

The pitches presented by the students in the competition were astonishing to see. There were a variety of new ideas which brought out the entrepreneurial side of students in the event. The participants were very enthusiastic. The competition led to development of participants' entrepreneurial skills and innovative thinking capability.
