ENVIRON TOX 2022

2nd National Conference on

Environmental Toxicology: Impact on Human Health

November 25th - 26th, 2022

Organized by:

Department of Life Sciences, Vivekananda Global University, Jaipur

IMPORTANT DATES

Last date of abstract submission

10 November 2022

Last date for registration

16 November 2022

Acceptance of abstract

15 November 2022

Selected Full length articles will be published in
SCI/Scopus/UGC CARE listed journals

MAJOR THEMES

- Hazardous Chemical Exposure
- Environmental Impact Assessment
- Impact on Animal and Humans
- Forensic Toxicology
- Food Toxicology
- Agricultural Toxicology
- Aquatic Toxicology
- Medical Toxicology
- Bioremediation Approach
- Abatement Methods
- Environmental Sustainability
- Environmental Toxicology

PAYMENT DETAILS

Bank: AU SMALL FINANCE BANK

A/c No. 1781220912467196

Branch: Babu Nagar, Jaipur

IFSC Code: AUBL0002209

UPI Id: kumud.awasthi@ybl

AWARDS

Young Researcher Award- 3

Best Oral Presentation Award- 3

Best Poster Presentation Award- 10

REGISTRATION FEE

Participants Early Bird On Spot

Faculty Members INR 1800 INR 2500

Research Scholars INR 1200 INR 1500

ABOUT UNIVERSITY

Vivekananda Global University (VGU), with NAAC A+ grade, is a young forward-looking multidisciplinary State private university established by the Act of Rajasthan State Legislature (11/2012) as specified by UGC under section 2(f) of the UGC Act 1956. The University has been approved by the UGC, Bar Council of India, Council of Architecture, and Pharmacy Council of India and is a provisional member of the Association of Indian Universities (AIU).

The University's commitment towards quality education, research, and innovation has been recognized by the Ministry of Education, GOI, which ranked VGU in the Band of 6-25 in private institutions all over India and No. 1 in Rajasthan in ARIIA, ASSOCHAM awarded "University of the Year - West". Our MIIC has been awarded 4.5 stars by the Ministry of Education, GOI. The commitment has also been recognized by various Government bodies such as NITI Aayog, and the Ministry of MSME who granted R&D funding of Rs 242 Lakh for establishing the first Atal Community Innovation Centre and Rs 100 Lakh under ASPIRE scheme for creating a Technology Business incubator respectively. Recently, Swavlamban Chair for MSME Solutions has been awarded by SIDBI with a grant of around Rs 1.45 Core.

ABOUT CONFERENCE

The main objective of the conference is to spread awareness about changing environment with reference to human health. The conference will also provide platform to eminent scientist, researchers and students to discuss current issues on environmental health. The scientific event will cover issues related with exposure to environmental chemicals, toxicity analysis, occupational toxicology, aquatic toxicology, agricultural toxicology, food toxicology, medical toxicology, environmental toxicology and chemistry, global warming, environmental sustainability, green chemistry, bioaccumulation-human impacts, natural hazards and disaster management, environmental protection, epidemiology and biostatistics, environmental geology, and environmental engineering, environmental safety and risk assessment, environmental compliance, ocean and climate change, environmental health and recycling and management, health economics and public policies.
